GENERAL SUPERINTENDENT OF GROUNDS. David W. Gibbs.

General Rules.

First.—All entries (except horses) must be made previous to 10 o'clock a.m., of the first day of the Fair. All horses must be entered previous to 10 o'clock of the second day of the Fair.

Second.—Competitors must be the owners of the animals offered. All fruits and vegetables must be raised by the person representing them.

Third.—All articles exhibited must remain during the Fair.

FOURTH.—No animal or article will be entitled to a premium, which is removed by the owner without permission of the Committee of Arrangements.

FIFTH.—All animals or articles exhibited will have all possible care, but must be at the risk of the owner.

SIXTH.—Upon application to the Secretary, the Committee on Crops will visit any farm, field or crops entered for premium. All entries must be made on or before August 1st.

SEVENTH.—It will be optional with the various committees to award a premium or not, as the thing entered for it may in their judgment deserve, whether there is competition or not.

Eighth.—No person receiving a premium for a collection of animals, vegetables or articles, is entitled to a premium for any single article in said collection at the same exhibition. This rule shall not apply to horses.

NINTH.—All premiums awarded and not called for within fifteen days will be added to the capital stock of the society.

Tenth.—Any person may become a member of this Society by signing the constitution, and if a male, paying to the Tresurer \$2, and if a female, \$1.

ELEVENTH.—Every person entering for plowing will be required to hold the plow.

TWELFTH.—All neat stock and horses should be kept in the county at least two months next preceeding the exhibition, and all male breeding stock nine months, either before and after, or before or after the exhibition.

THIRTEENTH.—All persons in the county may compete for the premiums offered; but in case a premium is awarded to a person not a member of the Society, the admission fee of a member will be deducted; but premiums and gratuities of less sums than the admission fees will be paid to all persons to whom they are awarded.

FOURTEENTH.—All persons exhibiting thoroughbred breeding stock are required to furnish pedigree, registered or not registered, to entitle them to a premium. This rule will be rigidly enforced.

FIFTEENTH.—No person will be allowed to engage in any business, traffic, or exhibition on the Fair Ground or at the Hall, without a permit from the Superintendent.

Sixteenth.—No animal or article will receive a gratuity larger than the lowest premium in its class.

SEVENTEENTH. - All canned fruits, bread, butter, cheese and honey shall be tested by the committee before making the awards. All bread for premium must be donated.

EIGHTEENTH.— No person shall be entitled to a premium on any article of Manufacture, Mechanics or Fine Arts, Butter, Cheese, Grain, Seeds or Vegetables, unless the same shall have been manufactured, executed, made, raised or grown by such person or his

NINETEENTH.—In entering colts, the exact age must be given in days, months and years, up to the age of four years, when they will be classified as four years old, etc.

TWENTIETH.—In all premiums for experimental crops, regard shall be had to cost of production, as well as to quantity and quality.

TWENTY-FIRST.—If amount of premiums exceeds bounty offered by State, viz., \$600, each person drawing a premium shall be paid

Particular Notice to Judges.

Judges are requested to be prompt at the place of meeting, and to make themselves acquainted with their associates without any hesitation. They should make themselves familiar with the details of the Arrangements and List of Premiums, and each member shall have a copy of the same in hand during the exhibition, for reference. They should render all the aid in their power in diffusing information and inciting competition, as the success of the exhibition depends, in a great measure, on the manner in which they discharge their duties.

The Judges may fill a vacancy occurring in their number, and members may act if the number cannot be conveniently filled,

No claimant for a premium can act as Judge upon the subject for which he makes his claim.

The Chairman of every board of Judges is expected and particularly requested by the officers and rules of the Society, to make a full report in writing of whatever comes under the notice of the board on which he serves and send the same to the Secretary of the Society as soon after the exhibition as possible, but certainly within thirty days, so that the same may be printed in the Transactions without too much delay. Reports of all classes on exhibition are very much desired, and it is hoped that this year the Judges will see that this important suggestion is attended to.
